Aghil Ebrahimi, Esq.

Founder & Principal Attorney | StarGuard Law

California · Quebec · Ontario | English · French · Persian

Aghil Ebrahimi is a licensed attorney in California, Quebec, and Ontario and the founder of StarGuard Law. He advises creators, founders, and digital businesses on IP, technology, and complex deals. Before law school, he studied Computer Science and built an international music career, touring in more than 30 countries and performing at iconic venues such as the Dolby Theatre, MGM Grand, and the LA Forum. He also co-founded an entertainment and media company. These experiences shape the practical, business-first legal guidance he provides in English, French, and Persian.
